

ACT Team Leader

DATE POSTED: 3/10/17

POSITION TITLE: Assertive Community Treatment Team Leader **SALARY RANGE:** \$48,000 - \$51,000

DURATION: Full time **POSITIONS AVAILABLE:** 1

GENERAL DESCRIPTION: The position is responsible for oversight of the Assertive Community Treatment Team (ACT Team) for the Behavioral Healthcare division. The position provides direct supervision to ACT Team members and works with other members not directly supervised (i.e. RN, Psychiatrist, Supported Employment Specialist, etc.) The position is responsible for ensuring fidelity to the SAMSHA evidenced based ACT Team model with particular attention to Texas requirements in the HHSC/DSHS performance contract. The position monitors ACT team services, completes chart reviews to improve clinical care performance and documentation of those services and service delivery and ensures required weekly staffing are well documented. The position works with the most difficult to engage individuals and must have the passion to work with this population and positively lead a team. The position provides services to individuals 50% of the time. The position requires the ability to communicate effectively verbally and in writing. The position reports directly to the Crisis Services Manager and will perform other duties as assigned by the Crisis Services Manager. Works a 40 hour work week, Monday through Friday with exceptions to meet program needs. The position is required to be on call. Travel is required. Responsible and accountable for adherence to and promotion of the compliance program.
