

Crisis Services Manager

DATE POSTED: 3/10/17

POSITION TITLE: Crisis Services Manager

SALARY RANGE: \$90,000 - \$100,000

DURATION Full time

POSITIONS AVAILABLE: 1

GENERAL DESCRIPTION: The position is responsible for oversight of all crisis services in the Behavioral Healthcare Division including the Crisis Hotline, Mobile Crisis Outreach Team including after hours screeners, and the Crisis Center including the 48 hour Extended Observation Unit and the Crisis Residential Unit. The position reports directly to the Director of Behavioral Healthcare Services. The position monitors crisis services including the use of community bed days and state hospital bed days. In addition, the position will provide oversight for the Assertive Community Treatment Team. The Crisis Services Manager directly supervises the Crisis Center Manager, MCOT Coordinator and the ACT Team Leader. The individual in this position must be comfortable with making independent decisions using a high level of critical thinking skills. Must be willing to take calls after hours and weekends as the need arises. The position will perform other duties as assigned by the Director of Behavioral Healthcare Services. Works a 40 hour work week, Monday through Friday with exceptions to meet program needs. Some travel may be required. Responsible and accountable for adherence to and promotion of the compliance program.

REQUIRED QUALIFICATIONS:

- Bachelor's Degree in a relevant field
- Minimum five years experience working in the healthcare field
- Minimum three years experience directly supervising and managing programs
- Must have working knowledge of Microsoft Office
