

Clinical Coordinator
Lakes Regional Community Center
Greenville, Texas

Lakes Regional Community Center provides Behavioral Health Services for people with a mental illness in twelve counties east and south of Dallas. This position coordinates and monitors the progression of care through the Resource Center in the Mental Health Center servicing an adult population with 20% of time being psychotherapy counseling. Will work collaboratively with the multidisciplinary teams that could include their prescriber, case manager and community resource contacts. Performs assessments, carries a caseload, reviews, creates and oversees the recovery plan while demonstrating multicultural sensitivity and effective communication skills. Responsibilities include providing routine and clinical supervision; completing assessments and diagnosis; recovery planning; liaison with other clinical service providers; provision of treatment and crisis services during regular business days; and documentation of client progress. Demonstrates the ability to analyze clinical needs and social situations, identify problems and alternatives courses of action and directing the Qualified Mental Health Professional team toward outcomes.

Requires a Master's degree in Counseling, Social Work or Psychology with a current Texas license as a LPC, LCSW or license as a LPC-Intern with ability to obtain full licensure within 90-days of employment. Must have a valid Texas driver's license with automobile liability insurance.

Salary: LPC-Intern- \$24.04/hourly
LPC, LCSW- \$25.96/hourly
LPC-S- \$26.44/hourly
