Great information

Excellent

Great program and very informative – you should be proud of the work you’re doing – I love the 10 hour day concept too and the huddles, debriefing and self-care

Lots of distractions, noise in room made it hard to hear presenter

Enjoyed the presentation and the information given

Initially having difficulty hearing

Need more interaction with the crowd – great data, but need more enthusiasm from presenters – slow video clips –

Need more real time stories

Knowledgeable program – was able to answer questions well

Not loud enough – need a microphone – thanks got a mic!!

Great presentation

Extreme difficulty hearing speakers until microphone arrived – too soft spoken

Thank you so much – it was fabulous – love our homeless friends

Very informative – great topic
