**Comments:**

- Extremely informative, helpful to learn practical and functional tips
- Appreciated the general strategies – scenario examples very helpful
- Would like powerpoint, very informative and look to review implement improved safety measures
- Too much from Risk Management staff – panel should have been main part of presentation – TCRMF portion was not trauma informed – It was stigmatizing – the speaker was sensitive to individuals with mental illness – Jokes about individuals in crisis are very inappropriate! Very poor! Uninformed!! Clearly not informed about how we function – Information very outdated!
- Great presentation and panel discussion
- Great presentation
- Great session and information
- Great job by all presenters and panelists
- Excellent!
- Could hear presentation in next room coming through vents - distracting
