Comments:

Great session!

Although I am disappointed that our elected officials act the way they do, this all fascinating. I love the insights and appreciate the candidness

Loved the session – very informative

Informative and detailed insight to political landscape – enjoyed the panel, especially that a few were from media

Great panel

Great!

Depressing but informative – thank you!

Great session as usual

I expected this session to focus more on specific legislation and policy implications related to our work. Instead it focused more on the theatrics of politics which is not the best use of our time

Awesome panel

The speakers were knowledgeable on the government mechanics of the state – I expected more substance and less political banter

Overall speakers are fine, award presentations have been interesting – video presentations well done, the presenters have been mediocre. We should use technology to scan participants. It is disruptive to find sign-in sheets. With pre registrations, didn't we know how many to expect? Why are we running out of seats?
