- Good presentation
Great session!
Best one yet! Great real life examples, etc.
Knowledgeable engaging speaker – good material (and this comes from someone well versed in CIT, just not as familiar with how it relates to schools) – Great presentation!
Love the idea of collaboration with school districts – I work with LE – I think this is a great addition to behavioral health teams
The best presentation of the whole conference!
Excellent information! Thank you for sharing from both sides of the situation
Very good!
