Comments:

Excellent presentation!!
Both individuals are doing a great job of relaying their experiences – great information to take back to our community
Great presentation
Very interesting – learned a lot of new material in the training
Excellent information, great speakers!
Excellent presentation, information presented was innovative and very informative
I appreciate the work that you are doing and will spread the word
Very informative presentation
Excellent presentation – Many MH issues can be identified at an early age – I wish pediatrician would do quick MH screenings – schools do vision and hearing exams, why not a quick MH screening? Thank you for your time! Texas pediatrician to do ASQ and MCHAT screenings, why not a MH screening as well? It needs to be legislated ACES maybe??
Thought provoking
Excellent
Profound work! Using the medical prevention more to address the threat of violence is brilliant – Thanks for that perspective – it has kicked open a whole new way of thinking for me
Very informative! I will be listening to the podcast and following social media
Thank you for your dedication – very interesting and informative – hopeful for the future
Would like to have more information – very interesting – I agree that we need to work together and educate everyone in order to report and decrease violence
Great presentation!
Excellent presentation and timely topic
This was wonderful and incredibly informative, thank you
Excellent
