Comments:

Great workshop
The information provided in the slides encouraged me to pull up the website so that I can flag it and use it moving forward – I appreciated the information that Johnnie and Tod also gave because they resemble my peers who work side by side with me – They really encourage me to continue fighting the good fight
Great presentation and panel
Great speakers as were the primary presenters
Tod and Johnnie’s insights and transparent sharing was so valuable!! Yes to more intensive TA and learning collaborative support!
