Comments:

I found this session to be extremely informative and I left with several ideas and am looking forward to employing some of Dr. Lawless' strategies
 At times, difficult to hear
 Great info! Thanks for your insight
 Extremely informative – lots of good examples and recommended books
 Amazing presentation – great info for leaders and those who aspire to be leaders – handouts/materials were great
 Interactions for the presentation – you are a true leader
 Thanks for the book recommendations and the handouts
 Very informative
 Excellent!
 Great communicator! Easy to follow!
 Hard to hear in most rooms but with Brent especially – need microphones and I was sitting on 3rd row – Brent was engaging and funny but slides will be great when I see them after – Worthless as projected – way too detailed but will be good to get after
 The information was good, however, for more seasoned leaders it lacked depth – the slides were very difficult to read with context being too small to see – I did like the interaction group activity in the beginning
 Very interactive – very detailed re: management – excellent – suggestion, larger font on slides
 Thank you for the useful information
 Spoke too softly – too much content on slides – hard to read – too much time talking about books that were on his recommendation list (summarize on slide)
 Great
 Great speaker, effective information
 Great presentation – facility room too small, sometimes difficult to hear in back
 Amazing and engaging
 Great info – some slides too small
 Great interactive activities! Difficult to hear at times – unable to read many of the slides due to small font
