

Occupational Therapist

Greenville, TX

Rate - From \$56,971.00 to \$84,864.00 (Depending on Qualifications)

Under the direction of the ECI Program Director, the Motor Therapist has the necessary authority to plan and provide services to eligible individuals of the ECI Program and travel within four counties. However, allowance for some discretion in carrying out the details of the work. Will perform assigned service coordination if asked by program director in a Community Mental Health Center. Requires the provision of early intervention services to children and families as specified by existing policies and procedures disseminated by HHS. Requires extensive 8-county (Hunt, Hopkins, Delta, Morris, Camp, Titus, Franklin, and Lamar) travel and use of personal vehicle and/or assigned center owned vehicle that includes travel to client homes and transportation for families if required.

Responsibilities include evaluation and assessment of children 0-3 years of age; development of service plan; provision of assistive technology services; provision of physical therapy/occupational therapy services; assistance with transition to local educational agencies/programs; and documentation of services. Incumbent must be knowledgeable of an array of services, and their interrelationship within a treatment regimen, including but not limited to service coordination/targeted case management, developmental services, physical and occupational therapy, speech and language pathology, nutrition services, psychological services, family education and family counseling, vision and hearing services, respite services, natural environments, transition services, and complaint procedures. Must have knowledge of child development and developmental milestones.

Licensed Physical Therapist is preferred however, Occupational Therapist and Occupational Therapist Assistants are welcome to apply as well.

Minimum Requirements:

- Licensed in the state of Texas as a Physical Therapist Assistant or Occupational Therapy Assistant.
- Ability to produce effective and accurate documentation in a timely manner.
