Please rate the presenter's competence and effectiveness:

	5 - Excellent	4 - Very Good	3 - Good	2 - Fair	1 - Poor	Total
Brian Clark	17	3	5	0	0	25
Amy Parker	16	3	6	0	0	25

<b>As a result of attending this event, what new skills or idea will you implement into your job or practice within the next six months?</b>	Review of OBOT contract to improve processes.
	Use more Suboxone.
	Talk and refer individuals to resources that offer Suboxone.
	Using suboxone
	Working on developing our ambulatory detox program
	I hope to enhance our treatment options.
	Look into Be Well and what that might be able to do to help opioid service.
	Will consider starting a program
	MAT
	Great training. Very insightful.
	Doing what I can to connect clients to our opioid treatment program
	go over content in slides a bit more. other than that good presentation.
	review OBOT with medical director on ways to implement OBOT in integrated primary care settings.
	Listening to Brian discuss the new treatment drug for treatment epidemic I will bring back detailed information to my team to present the effectiveness.
	Review the resources the speaker provided

	This has helped me be more aware of the different options out there for substance use.
	learned about opioid withdraw. presenter was amazing
	I will work closer with the counselor and educate them on communication with the doctor
<b>Did you perceive any conflict of interest (i.e. commercial support, produce endorsement, or unannounced off-label product use) during the presentation?</b>	0
<b>What topics would you like to see presented at future events?</b>	Sublocade
	Other SUD program implementation.
	Deep dive into narcan
	Any
	Not sure
	No topics suggestions at this time.
	Any thing
	effective care coordination skills, effective use of Motivational Interviewing.
	Detox
	Systems related to mat
	LGBTQIA+ topics
	managing funding expanding services for staffing.
	More focus driven ways to treat adolescents patients
	How care coordinating can help assist clients with effective treatment of opioids. How can a care coordinator proceed with beneficial outcomes for clients to overcome barriers?
	More focus on the multi disciplinary team approach for OBOT, substance use and mental health issues addressed
	How to integrate motivational interviewing.
	Any
