Daniela Chisholm	47	12	2	0	0	61
Dr. Roberto Kutcher-Diaz	41	19	2	0	0	62

As a result of attending this event, what new skills or idea will you implement into your job or practice within the next six months?	More understanding of legal processes
	Better understanding of the process.
	Good information on the commitment process.
	great
	Getting CME's when needed.
	Efficiencies in the opc process
	We are applying for grant funding to help us enact an AOT program so this is helpful
	More legal knowledge
	meeting with staff and community partners
	More information regarding CME's
	OPC process
	Ensuring clients I serve meet the appropriate criteria to be seen by a psychiatrist with the help of EDO's.
	Great program that El Paso county is doing

	It will help with understanding of state SOW's
	More problem solving
	Most sessions are very repetitive of what professionals already know, but this was new and fresh for me personally
	Review of AOT
	Was pretty familiar with this content. I needed the review on involuntary commitments.
	I have a much better understanding of the process that our MCOT team, county judges, and hospitals go through for a lot of our clients.
	Doing our part to get clients the proper help even if it doesn't work the first time.
	Great presentation!
	We already have an AOT program, this will help me better understand the process and provide legal advice to our staff (LMHA).
	understanding the process
	Awesome job!
	Learn more about implementing AOT program
	Thank you! Share with coworkers.
	AOT programing
	Learn more about AOT
	Share
	Thanks so much for the info about civil outpatient processes. I plan on reaching out!
	I will certainly be thinking about this topic a lot over the next several months.
	I just feel much more informed about the process. Great presentation!
	Since each county in Texas seems to be so different I will keep gathering information and education.
	More about educating the doctors about the CME process.
	Understanding on the process of EDO
	Would love to implement an AOT program
	not sure yet
	I learned and will implement how to correctly complete an EDO.
	Great speakers and very informative
	Great information!

	Share knowledge
	Just feel so much more aware and informed. Great job!
	Encouraging AOT support
	Rely on collaborations with the legal system Employ telehealth for virtual CME.
	Legal
	ED vs OPC process
Did you perceive any conflict of interest (i.e. commercial support, produce endorsement, or unannounced off-label product use) during the presentation?	0
If "yes" to the question above, please describe conflict of interest perceived:	0
