<b>Comments:</b>	Love that she got the audience involved.

	This presentation will help me perform my job much better.
	Very good
	Bring her back. All need to hear!
	Lots of great information
	Great
	great job
	love love loved this talk. My supervisor and her supervisor were present. Expertly presented and informative.
	This was most informative session on what is and is not a peer support specialist I have attended
	Learned valuable information about true role of peers and peer work.
	What's disappointing is that so many CEO's, LPC's and other professions NEED to hear this valuable information. Yet CEU's were not offered to them (which would incentivize them to attend). Why not?
