Please describe how your knowledge has changed regarding the objectives listed.	school intervention
	Early intervention is best!
	really helped me think about systemic efforts!!
	How to engage with school districts
	It was interesting to hear how the school has truly invested in this. I'd love to get more strategies to engage the school systems.
	I have more knowledge about this program that I will share with my staff
	I didn't know this program was in effect
	knowing this program works
	Awesome job!!

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?	better relationships with school staff
---	--

Bend the Trend: Advancing Early Mental Health Interventions in Schools

	New ideas in school and collaboration!
	work systemically at implementing something in our district
	Better engagement with schools
	approach schools in my area to inform of this program as a possibility

What topics would you like to see presented at future activities?	community based school intervention
	Part 2 of bend the trend with more data long term
	more on schools work
	More child and adolescent

Comments (Optional)	Would love to see info from follow ups with kids that graduate the program ongoing down the road
	this was a great model for us to follow
