Please describe how your knowledge has changed regarding the objectives listed.	I am more interested in jail based services now.
	Knowledge about meds that are not prescribed in the jail
	Awesome
	Helped broaden knowledge of JCBR
	It made me realize how many jail systems lack the appropriate support regarding mental health to improve quality of care.
	Great
	CMEs
	Increased knowledge on jail treatment options.
	Better insight in the process of competency evaluations with commuted individuals.
	Excellent information!
	helpful learning more about CME and OPC
	this training reinforced what I know about psychiatric care in legal settings. it provided new knowledge especially regarding jail based competency restoration programs. I am excited to share with my team when I return.
	I am intrigued by the idea of providing this type of care in jails and plan to be an advocate for this at my center

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?	In general it was very hrlpful
	I will start a JCBR
	Jail work
	Jail services
	Implement more JBCR and AOT.
	Understanding the role of county jail health care systems.
	expansion of jail services
	propose to implement a jail based competency restoration program
	I will advocate for my center to explore this type of service in jails

Jailhouse Docs: Psychiatric Care in the County Jail Setting

What topics would you like to see presented at future activities?	Same
	Bet practices
	Evidence based practices
	Psychopharmacology
	more of same
	the rates of recidivism for participants in jail based competency restoration programs

Comments (Optional)	Great speakers
	Great speakers
	excellent presentation!
