Please describe how your knowledge has changed regarding the objectives listed.	Consult without MVPN weekly to learn new ways of doing things.
	Good course- allowed audience participation. The room itself smelled poor like sewage
	Great information about military culture and available resources for veterans in texas.
	Great
	I knew quite a bit.
	Improved understanding of the objectives
	Great presentation.
	It has changed but has been enhanced greatly!
	Thank you for the excellent presentation.
	Provide more insight on a military veteran's perspective
	As someone who does not have lived experience in the service or member of a military family this provided me a better understanding of the obstacles and/or barriers a family could face in this dynamic.
	Personal
	I don't feel that my knowledge has really changed. I am the wife of a veteran and everything Gary discussed rang true.
	I don't feel that my knowledge has really changed. I am the wife of a veteran and everything Gary discussed rang true.
	Presenter did a wonderful job, connecting the relationship between trauma and veterans and active duty and their families.

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?	Working closely with our local MVPN.
	Apply the knowledge to my clinical practice.
	Great
	Connecting vets
	Not sure yet
	Review of material with MVPN coordinator.
	I will interact with my MVPN more
	Share with others
	Incorporating military veterans peers into services.
	I walked away with not only a better understanding as a person who has not served or been a member of military family, but now I have some insight on how to meet a military family where there at in the moment. I also walked away with the knowledge on how to access resources.
	All
	I will definitely utilize the slide discussing things that trigger veterans
	I will definitely utilize the slide discussing things that trigger veterans
	Expanding outreach to our dependent population

Ripple Effects: Understanding How Military Trauma Impacts Veteran Families

What topics would you like to see presented at future activities?	Nothing identified at this time.
	update on available resources, in texas, for veterans.
	Great
	More of MVPN
	Not sure
	Integrative approaches for veterans and families in LMHA's.
	peer related
	Enjoyed the military presentation
	More insight into families perspective.
	Nothing I can think of at this current moment
	Nothing I can think of at this current moment
	Focus on attention on dependents specifically and not as much focus on the veteran or active duty service member

Comments	No additional content to add.
	Great speaker, great presentation. The only thing I would've wanted to see, is more engagement with the audience. There were a few people with hands up, that did not get acknowledged. Other than that, great presentation and very informative!
	Enjoyed the interaction facilitated by the speaker.
	Great Course
