Please describe how your knowledge has changed regarding the objectives listed.	Identifying resources for individuals with IDD
	Persons with IDD can be successfully treated.
	Managing occurring IDD/MH
	It's provided ideas to take back to our Center that struggles with providing psychiatric services for our consumers.
	Good job
	I better understand how PermiaCare developed an integrated dual diagnosis clinic.
	Learning about services to assist IDD community
	Training is key.
	Interesting subject matter
	more aware of the possible
	Best presentation I have attended this conference
	Best session this conference

Unlocking Care: PermiaCare's Specialized IDD/MH Clinics

	I learned the STAR method
	considering how idd and mh can work better together for people with both needs
	learned about diagnostic shadowing in IDD population
	It was helpful to see that our Center is doing what another leading center is doing

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?	Seek funding.
	Be aware of the need for service overlap.
	it's provided ideas to take back to our Center to meet the needs of our consumers
	Unsure
	Good thoughts
	I will consider implications for my center
	more compassion and find appropriate referrals.
	Implement BH provider services in IDD programs.
	Unsure at this time
	See how well we can integrate our IDD and crisis services
	Ensure staff use evidence based ideas for IDD
	looking for symptoms that could be Co-Occurring in our ICF homes residents.
	will meet with our crisis teams to see what we need to work better together.
	talk about this during our Interdisciplinary Team meetings
	Incorporate START practices
