Please describe how your knowledge has changed regarding the learning objectives listed.
I learned ways to Apply trauma-informed and inclusive practices. how to Practice facilitating, leading, or supporting peer networks. as well as how to incorporate evidence-based peer support approaches.
Co creating can look differently and the structure and strategies applied
Developing steering committees or advisory committees to build these peer support groups
Good presentation on overview of providing peer support to family members
I've learned about the entirely new-to-me branch of Peer Support for veteran spouses
No change
Our peers are branching out to military clients and the course helped expressed how to better do so and effectively

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?
I will enlist the practices learned
Using feedback as data to implement changes
I will be asking our veteran service coordinator to identify individuals who would be willing to volunteer for steering or advisory committees.
Unsure
Utilizing data more than I already do, and finding gaps where data might not be utilized effectively
None
Peers will be helping military clients

What topics would you like to see presented at future activities?
I would like to hear more about the Podcasts

Stronger Together: How Peer Support Transforms Veteran Families

Unsure
More on peer support! Also, topics where nutrition / food and substance use or mental health recovery intersect
No preference
