Please describe how your knowledge has changed regarding the learning objectives listed.
This new pathway to engage consumers in services is outstanding and really breaks down the barriers we are challenged with across the state
I think we can benefit from the information shared here to break down barriers that have not just been created by transportation and housing issues but also through our processes internally
I will bring this information to our company senior leadership team.
Increased knowledge of mobile care
Options available for services that can be provided
Capacity for mobile clinic to improve mental health outcomes
none
Options for using Mobile Clinic.
The positive outcome of the mobile treatment van.
The session was very informative.
Great session
Hasn't changed
i see a different perspective in the mobile unit

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?
I definitely feel our county can benefit from this form of treatment and I hope that we can mobilize our reach and mission to the Bexar county community
I will try to advocate more for our intake department to create less barriers and encourage more motivation for change
very informative. learned a lot.
Consideration of a mobile medical unit
Unsure, we are applying for a grant to purchase a mobile clinic.
Connect with our local mobile mental health clinic
none

The Clinic Comes to You: Removing Barriers with Mobile Behavioral Health

Increase use of Mobile Clinic.
Awareness of mobile treatment vs in office.
