

The Crystal Clear Story, Science, and Impact of Meth

Respondents: 30

	Average	5 - Strongly Agree	4 - Somewhat Agree	3 - Neither Agree Nor Disagree	2 - Somewhat Disagree	1 - Strongly Disagree
Indicate your level of agreement with the following statement: Overall, this session met my educational needs.	4.87	26	4	0	0	0
Indicate your level of agreement with the following statement: There was enough time spent on the subject matter.	4.97	29	1	0	0	0
Indicate your level of agreement with the following statement: The speakers were informative and kept my attention.	4.80	25	4	1	0	0

	Average	5 - Excellent	4 - Very Good	3 - Good	2 - Fair	1 - Poor
Rate the extent to which the course met the learning objective: Summarize the origins of methamphetamine, its early uses, and how its role evolved over time in medicine and illicit markets.	4.90	27	3	0	0	0
Rate the extent to which the course met the learning objective: Describe the key chemical components of methamphetamine and how they interact with the central nervous system to produce stimulant effects.	4.90	27	3	0	0	0

The Crystal Clear Story, Science, and Impact of Meth

Rate the extent to which the course met the learning objective: Assess the short-term and long-term physiological and psychological effects of methamphetamine use, including addiction, organ damage, and mental health consequences.	4.80	25	4	1	0	0
Rate the extent to which the course met the learning objective: Evaluate evidence based intervention and treatment approaches for methamphetamine and other stimulant use disorders, including considerations for co occurring substance use.	4.83	25	5	0	0	0

	Average	5 - Excellent	4 - Very Good	3 - Good	2 - Fair	1 - Poor
Rate the presenter's competence and effectiveness: Hildebrando Mireles III	4.90	28	1	1	0	0

Please describe how your knowledge has changed regarding the learning objectives listed.
No change
Education
All good
A lot more knowledge about origins of meth
Impressive
There were some statements made that caused me to look some information up that increased my understanding
Better informed on physiological symptoms
Learned new treatment modalities and also the history and effects of meth
History
Gained an in depth understanding of Meth.
Better understanding of the drug and treatment
Learned alot
I learned about the Matrix Model for stimulant use disorder treatment
learned more about the efficacy of meth
MCOT encounters individuals that are positive for meth.
Consider that various drugs are used for an array of reasons & that they can be used to heal with proper instruction/supervision
Increase awareness
updated information on evidenced based treatments.
As a LCDC I found this information to be very interesting and should be included in Centralized Trainings due to the prevalence of methamphetamines in Texas.

The Crystal Clear Story, Science, and Impact of Meth

Always helpful to have new information to add to my knowledge base even though I am not directly providing services at this point in my career.
Good job
I learned that Meth originated from a shrub. It was then synthesized and ultimately used as a street drug.
I HAVE A BETTER UNDERSTANDING OF THE ORIGINS OF THE DRUG

As a result of attending this activity, what new skill or idea will you implement into your job or practice within the next six months?
none
Screen
Yes
Assist more individuals, explore evidenced based practices
Better understanding
I use the Matrix already but it's on a 60 to 90 day basis so I'll look at other parts to introduce into my curriculum
Not sure yet?
The treatment options
I will incorporate the knowledge and skills into my practice.
Provide education to my staff
New info
I'll look into that he Adapt-2 study
MATRIX
Increased knowledge more of the same
Read more research
Education
none. current treatment curriculum supports information given in presentation
Since I was given the slides generously provided by Hildebrando Mireles III, I will be offering this towards my employees to be fully versed and aware of methamphetamines and seeking out peer provider, outpatient, detox, and rehabilitation services with the Matrix model in mind.
I'm not sure.
Training for staff
Think of it from that fact that addiction is not easily broken.
HOW TO TREAT IT

What topics would you like to see presented at future activities?
Results of new drugs and the research results from using the medications for SUD
More topics on substances that are hard to treat.
Additional trends in substance use.
It was all great
more SUD
More of the same
Topics around new clinical techniques/research on the impact of social media.
Self care
not sure
I would like to see Mr. Hildebrando Mireles III presentation on EDMR and REM in the next conference.
Alcohol abuse treatment
PTSD

The Crystal Clear Story, Science, and Impact of Meth

Other Comments (Optional)
Mr. Hildebrando Mireles III displays the passion and intuitive prowess towards his presentation and the intricacies of the research he provided. I also appreciate him interacting with his audience playing games, and using fun clean humor as well.
BY FAR THE BEST SESSION OF THE WEEK.
